

## I-15/SR-56 Ramp Closure

# Detour Information

The southbound Interstate 15 (I-15) connector to Ted Williams Parkway will be closed beginning Wednesday, Jan. 14 at 10 p.m. for about two years.

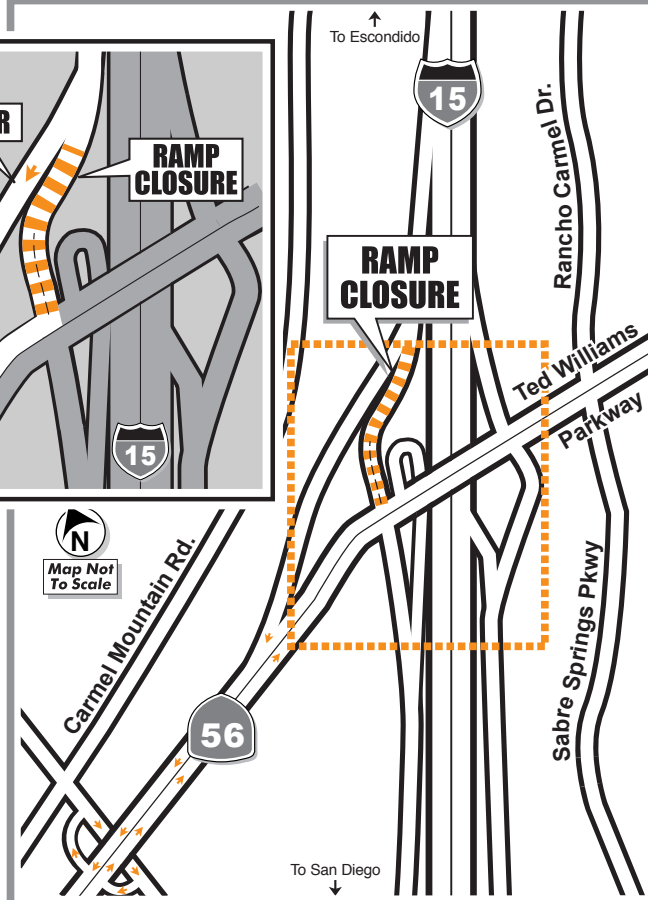

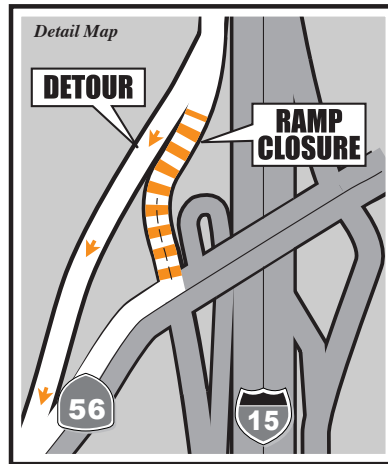

The closure is needed to realign the connector to SR-56, place underground utilities and build retaining walls.

Motorist will be detoured on SR-56 to the Rancho Penasquitos Boulevard exit then east on SR-56 to Ted Williams Parkway.

Detour signs will be posted.

This work is part of a \$19 million project to construct a new southbound auxiliary lane and interchange improvements at I-15 and SR-56. The interchange improvement is needed for the future opening of SR-56 from Interstate 5 to I-15 in summer 2004.

Driving through road work areas can be dangerous for motorists and highway workers. **USE CAUTION!** A state law (cvc. 42009) provides that when driving infractions such as speeding, reckless driving, etc. occur in construction and maintenance zones, the fines will cost you **DOUBLE** the money of those same infractions in non-work areas.
